

LARGE ARROW FLOOR GRAPHIC

Bleed area: Make sure your background fills the blue bleed area

Trim: This is the line that we will cut your graphic to.

Safe area: keep important information like text and logo's inside the safe area

Please outline your fonts.

Provide or package all links and artwork.

Do not use web images or low resolution art.

Files should be saved as PDF, EPS, TIFF or PSD

The colored guidelines you see here will not print.

ONCE YOUR DESIGN IS COMPLETE

1. COMPRESS YOUR FILE .ZIP
2. NAME YOUR FILE WITH YOUR ORDER NUMBER WITHIN THE FILE NAME EXAMPLE "12345.EPS"
3. GO TO OUR WETRANSFER SITE AND UPLOAD YOUR FILE AT <https://graphictrends.wetransfer.com/>
